The ETAWA would like to invite early career, graduate and student teachers to a day of professional learning.

Beginning your career as an English teacher can be a challenging time. This mini-conference will provide you with some useful tools and skills, as well as give you the opportunity to network and share your experiences with others.

On offer will be practical sessions covering topics such as: **developing efficiency and avoiding burnout, developing reflective practice, making planning manageable, developing a professional profile, and developing fair, standards based marking.** You'll also be introduced to some free resources for **making teaching easier.**

Each will be facilitated by a leading English educator, and attendees are invited to share their own ideas as well. Time will also be made available for a Q&A session for participants to ask those questions you might be reluctant to voice in your workplace!

- Tea, coffee and lunch will be supplied.
- St George's Anglican Grammar School is located at 50 William St, Perth; the heart of the CBD.
- There is no onsite parking, but there are commercial carparks nearby and public transport links are extensive.
